## Local in Global: Time for Change!

International training for youth workers, activists and multipliers  
on the topic of sustainable social and environmental change

26/09 – 02/10/2022

Seezeit-Resort am Werbellinsee (Germany)

Funded by:

- What?** In this training, you have an opportunity to:
- ✓ reflect upon and deepen your understanding of the relationship between environmental, social and economic issues on the local and global level
  - ✓ reflect on how you are personally affected by and play a part in environmental and social injustice
  - ✓ explore a model of sustainable social and environmental change and how to apply it in practice
  - ✓ learn about and experience a good practice example of sustainable projects
  - ✓ meet people from different backgrounds and learn from their experiences
  - ✓ awaken and strengthen a changemaker within you
- How?** To engage participants' brains, hearts and bodies we will use **a variety of methodological approaches** such as theoretical inputs, discussions, reflections, nature connection, movement, excursion, games, open space, multimedia (e.g. films) and others. The training language will be **English**. You can find more detailed information about the program at the end of this document.
- Where?** [Seezeit- Resort am Werbellinsee](#) (Germany, 2 hours away from Berlin)
- When?** 26/09 – 02/10/2022
- Who?** youth workers, activists, educators, students, teachers, and other multipliers **with residence** in Armenia, Bulgaria, Germany, Moldova, Poland, and Ukraine (age 18+).
- Costs?** The participation fee includes **full-board accommodation, the programme and the excursion**. It's based on a sliding scale, i.e. participants pay according to their financial means. The proof is not required.
